Registered Nursery under the  
management of The Rock Place of Safety

We are George and Heidi Versfeld, living in Die Wilgers Pretoria. We believe that each child is a precious blessing, deserving to grow up in a loving, safe home. We got married in 1986 and always had a passion for children. After 8 years of unsuccessful infertility procedures, God blessed us with 3 daughters. We were always willing to financially support those who opened their homes to vulnerable children, but with infertility struggles still raw, we never saw ourselves as a family who could get emotionally involved.

In 2004 we moved to Ghana which had a huge impact on our lives. God revealed a whole new dimension of His love to us when we became involved with the orphans and street children. For the next 5 years in Ghana we opened our hearts and home, resulting in the adoption of 2 sons. Our years in Zimbabwe were spent on creating awareness of children in need. Upon our return in 2012 we became a place of safety, named Precious Blessings. Through this God blessed us with 2 more sons and a daughter. In the past 10 years we have been privileged to be part of more than 60 children's lives that have been placed with forever families.

Our logo is a tree of hearts - symbolizing our belief that all children planted and nurtured in God's love will grow strong deep roots and stand tall in His purpose for them.

In June 2019 we registered our own NPC called ***Precious Blessings Place of Safety NPC 2019/258396/08.***
